Hiya Sofia,

Hope you are ok. I started a new language course last week – I'm learning Spanish. I can already speak French and I can understand simple Italian. But I am really excited to learn Spanish, because my parents and I are going to Spain next summer. I hope to speak some Spanish then!

I was a few minutes late for my first class because I got off the bus at the wrong stop. I had to ask three people for directions.

To start with, I was a bit nervous because I didn't know anyone. But the teacher was really helpful. Other students were really friendly as well – some of them didn't speak any Spanish either, and others knew a few words. During the first class, we learnt how to say a few simple things about our families.

Next week, we are going to learn about travelling. I have some homework – I need to write the names of my favourite countries in Spanish. I think I'm going to include your country!

Lots of love,

Ahmed
